The meeting will feature a presentation from Nik Kovac, director of the Department of Administration's Budget Office, to provide an update on the Mayor's proposed 2023 city budget and to answer questions from those in attendance.

This year's budget is especially challenging, as the city is facing major revenue shortfalls, increasing health care costs, and significant increases in mandatory pension contributions. As Vice Chair of the Finance and Personnel Committee, Alderman Spiker would like citizens' input to help determine priorities and ways to minimize potential cuts in services.
